

## Homophones and History: Battle of the Wilderness

**Instructions:** Read the paragraph and circle the correct version of the word from each word series.

Name \_\_\_\_\_

In 1864, General Grant led Union forces into a dense forest known as the Wilderness, where they would face Confederate troops and fight (their / they're / there) first major battle in Virginia. The thick woods made it hard to (bare / bear) the smoke and fire, and many soldiers couldn't even see or (here / hear) the enemy clearly. Some troops got lost trying to find the (right / write / rite) path through the forest. Wounded soldiers had to (wait / weight) for help as the fires moved closer. Grant's army pressed forward, refusing to (lose / loose) momentum despite heavy losses.

## Answers:

In 1864, General Grant led Union forces into a dense forest known as the Wilderness, where they would face Confederate troops and fight (**their**) first major battle in Virginia. The thick woods made it hard to (**bare**) the smoke and fire, and many soldiers couldn't even see or (**hear**) the enemy clearly. Some troops got lost trying to find the (**right**) path through the forest. Wounded soldiers had to (**wait**) for help as the fires moved closer. Grant's army pressed forward, refusing to (**lose**) momentum despite heavy losses.
