

Imagine: Alaska's Denali

Imagine you are visiting Denali National Park in Alaska. Read the description and draw the picture to the best of your ability.

High above a sweeping carpet of tundra and taiga, a massive white-crowned mountain towers into the swirling Alaskan sky, its granite flanks scarred by ancient glaciers and dusted with snow. Around its base, golden tundra grasses ripple in cold winds, and vast braided rivers carve through silent valleys where caribou, moose, and grizzly bears roam freely under endless daylight. The air feels crisp and bright, and standing there you sense the mountain's height, the remoteness of the wild, and the hush of a place too grand for paths or crowds.

Your Picture

A large, empty rectangular box with a thin black border, intended for a student to draw a picture of Denali National Park based on the provided description.
