

Imagine: Grand Canyon

Imagine you are visiting the Grand Canyon in Arizona. Read the description and draw the picture to the best of your ability.

Deep orange cliffs stretch endlessly into the horizon, carved by a mighty river winding far below like a shining green ribbon. Layer upon layer of rock tells stories millions of years old, their colors shifting from rusty red to soft purple as the sun moves across the sky. Towering shadows tumble across jagged ridges and plateaus, making the vast canyon look like a giant, sunlit puzzle piece from above.
