Imagine you are visiting Garden of the Gods in Colorado. Read the description and draw the picture to the best of your ability.

---

Jagged stone towers rise suddenly from the earth, their rusty-red walls glowing in the sunlight as if they were painted with fire. Against the deep blue sky, the rocks lean and twist like frozen giants, while winding trails weave through clusters of green pines and wild grasses. From certain spots, the sharp peaks frame distant snowcapped mountains, making the whole scene look like a doorway into another world.
