

Imagine: Bombay Hook National Wildlife Refuge

Imagine you are visiting Bombay Hook off the coast of Delaware. Read the description and draw the picture to the best of your ability.

Golden marsh grasses sway gently under a crisp blue sky, stretching as far as the eye can see. Shimmering tidal pools reflect drifting clouds while clusters of waterbirds glide gracefully across the still water. In the distance, the soft rustle of reeds mingles with the cries of geese, and a lone wooden observation tower peeks above the vast wetlands like a quiet guardian.
