

## **Imagine: Acadia National Park**

Imagine you are visiting Acadia National Park. Read the description and draw the picture to the best of your ability.

---

Jagged cliffs rise above crashing ocean waves, while pine trees cling tightly to the rocky shore. In the distance, smooth, rounded mountains stretch toward the sky, glowing pink and orange as the sun peeks over the horizon. Hidden among the forests are quiet lakes and streams, where the water reflects the colors of the sky like a perfect mirror.
