

Imagine: Delaware Water Gap

Imagine you are visiting Delaware Water Gap on the New Jersey-Pennsylvania Border.
Read the description and draw the picture to the best of your ability.

Jagged cliffs rise sharply on either side of a winding, silvery river that glistens under the sunlight. Dense forests of green blanket the hillsides, their reflections rippling in the calm water below. In the distance, mist curls over the peaks, while eagles soar overhead, scanning the deep, shadowy valleys carved by centuries of flowing water.

Your Picture

A large, empty rectangular box with a thin black border, intended for a student to draw a picture of the Delaware Water Gap based on the provided description.
