

Imagine: Oregon's Crater Lake

Imagine you are visiting Crater Lake National Park in Oregon. Read the description and draw the picture to the best of your ability.

Deep within a circle of towering cliffs lies a lake so blue it seems to hold the sky itself. The water is calm and crystal clear, surrounded by pine forests that whisper in the mountain wind. In the center rises a small island, shaped like a wizard's hat, resting quietly in the middle of the ancient, flooded volcano.
