

Imagine: Mt. Washington - Downtown Pittsburgh

Imagine you are visiting Mt. Washington overlooking Pittsburgh's Golden Triangle.

Read the description and draw the picture to the best of your ability.

A steep hillside rises sharply above a winding river, dotted with trees and speckled with houses clinging to the slope. At the top, a row of viewing platforms offers breathtaking views of glittering skyscrapers, arched bridges, and boats gliding along the water below. Brightly colored cable cars crawl up and down the hillside like little insects, carrying passengers between the bustling city and the peaceful overlook.
