

## Imagine: Badlands National Park

Imagine you are visiting South Dakota's Badlands National Park. Read the description and draw the picture to the best of your ability.

---

Jagged cliffs and rocky towers rise like frozen waves in a sea of stone, painted in bands of red, orange, and gold. Deep canyons cut through the land, where prairie grasses sway in the wind and bison wander beneath the wide, endless sky. In the stillness, you can almost hear the whisper of ancient rivers that carved these strange and beautiful shapes long ago.
