

## **Imagine: Grand Teton National Park**

Imagine you are visiting Grand Teton National Park. Read the description and draw the picture to the best of your ability.

---

Jagged, snow-dusted peaks rise suddenly from the flat valley floor, their sharp edges mirrored in the still, glassy lakes below. Pine forests creep up the lower slopes, giving way to rocky cliffs where eagles soar overhead. In the crisp air, herds of elk graze in wide meadows, while the towering mountains loom like giant guardians of the land.

*Your Picture*

A large, empty rectangular box with a thin black border, intended for a student to draw a picture of Grand Teton National Park based on the provided description.
